Nijverheidsstraat 10

BE-1840 Londerzeel - Belgium

- Easy to transport. Very light weight facilitating transport and handling.
- Adjustable handle and extendable right rear wheel for increased stability.
- Low vibrations. Engine and blade shaft mounting system increases comfort and gives excellent cutting performance.
- Low maintenance. The sealed blade shaft system allows for a minimum of 200 maintenance-free hours without daily greasing of bearings.
- Adjustable handles. Provides a closer and more comfortable position to the cutting side for easier alignment and straighter cuts. Handle can also be folded for transport.
- Clear depth indicator.

Specifications :

- Engine : Honda GX270
